Donate or fund a late model low mileage large SUV $12,000

Urgent

Sponsor monthly newsletter. Cost of putting together and of mailing. HELP!

God continues to open new doors for me again this year. To see His work being carried out is truly a blessing. I ask that you pray daily that I can keep up and stay in His will. The chance to travel outside the country to new places and old places is a special blessing. It is hard work, as all ministry work is and requires special ability that can only come from God's Supernatural Power.

There is much to do. I will be gone so much this year and I don't see that changing for a long time.

Trips to all over North America. Central and South America are just a few things planned for the 2008 as God leads and opens doors. *Matt 4:19*

There are three ways ***that you*** can help with our Ministry needs:

1) Pray that I stay within His will, can maintain the pace, have God's special anointing on me and that He prepares the way as we take the "light into the darkness."
2) You can send in a tax-deductible donation ear marked for one of my needs, or how God leads you to donate monthly.
3) You can provide what is needed with an "in-kind" or "tax credit" donation of equipment. *Proverbs 3:27-28*

I ask you to prayerfully seek God's will in this as soon as you receive this years schedule and needs. Especially the vehicle.

HOPE International Ministries, Inc. is a 501(c)(3) donation and faith supported ministry. P.O. Box 91275 Mobile, AL 36691
